It is clear in Scripture that we should follow Christ's example and serve others. A true believer will be motivated to give of himself and serve others. We want our students to be true followers of Christ and use His example in their lives. Therefore, Christian Service hours are required of each high school student. Each HS student is to volunteer at a school, church, in the community, etc. **at least 6 hours per semester.** Hours from the previous summer may be counted into the present school year for 1st semester only. Community service hours for 1st semester must be submitted before exams are taken in December. Second semester hours must be submitted before final exams in May. **Completion of Christian Service Hours counts as 30% of the Bible exam grade.** Hours must be completed and turned in by the given due date. We will not accept hours submitted after the given due date.
