As the parent or legal guardian of the student named above, I request that my child be enrolled in resource class/classes.

1. I understand that my child has been selected for placement in this program because of academic weaknesses that make it difficult for him/her to function all day in the general classroom. The purpose of this class is to provide more individualized instruction along with special resources that will help my child progress to the best of his/her ability. I realize that this program cannot be held responsible for bringing my child up to grade level since many factors, including self-motivation and home environment, contribute to the child's total learning capabilities.
2. I agree to work closely with my child to ensure school success by committing to the following:
 - I will be readily available for any special meetings or conferences that may be scheduled during the school year.
 - Supply an agenda/planner and check it every night.
 - Communicate with the classroom teachers FIRST with any concerns, questions, etc...
 - Use information from the agenda to study or work with my child on assignments and review each day's material.
 - Use study guides provided by the teachers to prepare child for tests.
 - Look at project instructions on the day the assignment is given and develop a plan to keep student on track.
 - Notify classroom teachers as soon as student begins to fall behind.
 - Respond to all communication from classroom and resource teachers in a reasonable time frame.
3. The student will agree to the following:
