#### Final Exam Reminders

- Exemption notifications are given by each teacher the week before exams.
- Students must be present for exams from which they are not exempt, but they are not required to be on campus for exams from which they are exempt.
- Students must be on time for study halls and exams. Students who are not present for required study halls and exams without a doctor's note will receive a 0% on the exam. Students are not permitted to take exams at an alternate time.
- Students are required to complete exam reviews regardless of exemption status. All students must take math exams.
- Students must stay in the appropriate classroom for the entirety of the exam period even if they finish the exam early.

#### High School Service Hours

- Students in 9th-11th grades must turn in their required service hours to the Front Office by **Friday, May 27**.
- Service hours are 30% of students' Bible exam grade, so students who do not submit completed service hours by the deadline will be required to take the Bible exam on Wednesday, June 1, regardless of exemption status.
- Service hour forms may be reached using [this link](#).
