## Philosophy

FCS Summer Camp provides a recreational program for children of parents who need summer childcare. The camp's mission is to provide each child with a loving atmosphere designed to help the child develop physically, socially, spiritually, and to increase the child's interests in recreational activities.

## Facilities

Our camp has excellent equipment and facilities for a variety of recreational activities. These are used in a positive manner to encourage children to actively participate in a well-rounded program. Our facilities include athletic fields, a well-equipped gymnasium, and inviting playgrounds.
