Exploring New Horizons

Falcons Return With Stories To Tell

Our Falcons have returned from a series of thrilling trips, packed with learning, laughter, and lasting memories. Both middle and high school students explored new places and deepened their bonds, making this year's school trips truly unforgettable. Here's a look back at the highlights of their incredible journeys!

Middle School Explorers Take on the World!

The sixth graders kicked off their adventure at the North Carolina Zoo, where they got up close and personal with some of the world's most fascinating animals. They experienced the wonders of wildlife in a whole new way. Our seventh graders set their sights on Wilmington, starting with an underwater adventure at the Fort Fisher Aquarium. They marveled at sea creatures

as well as go aboard the historic Battleship North Carolina, where they explored the decks and learned about life at sea during wartime. The eighth graders wrapped up the middle school trips with a journey to Colonial Williamsburg, stepping back in time to the days of early America. Walking through cobblestone streets, visiting colonial homes, and interacting with reenactors brought history to life like never before!

The junior class stands tall at the Washington Monument, soaking in the history of D.C.

High School Adventures Reach New Heights!

High school students took their learning beyond the classroom with some incredible

experiences. Sophomores delved into the wonders of the Creation Museum and Ark Encounter, where exhibits sparked thought-provoking discussions and left them in awe of the towering Ark replica. Juniors headed to the heart of our nation's history—Washington, D.C. They stood before the Lincoln Memorial, toured the Smithsonian museums, and even took a stroll past the iconic monuments, connecting with the stories and legacies that shape our country. Meanwhile, the freshmen and seniors enjoyed a memorable retreat at Anchorage. Days were filled with team-building activities, inspirational sessions, and plenty of time to relax and recharge, fostering a deeper sense of community and friendship.

The memories made, lessons learned, and friendships strengthened will be cherished by our Falcons for years to come. A big thank you to everyone who helped make these experiences possible!
