Elementary Christmas Countdown

The week leading up to Christmas break was filled with festive fun and creativity as students embraced our themed dress-down days. From sparkling garlands and tinsel on Deck the Halls Day to cozy pajamas on 'Twas the Night Before Christmas, each day brought smiles and a wonderful sense of holiday spirit. The energy and enthusiasm from students and staff made the countdown to Christmas a truly memorable way to end the semester, spreading cheer throughout the school as we all prepared for the holidays.

The Creative Flight

The Christmas Program: A Night Filled with Creativity and Talent

This year's Christmas program, "In the Fullness of Time", was a heartfelt celebration of God's perfect timing as expressed in Galatians 4:4. The evening took us on a journey from Creation to the birth of Jesus, reflecting on key events that prepared the way for the Savior's arrival. Through stunning artwork and thoughtful speeches, each milestone in this sacred timeline was brought to life, showcasing the creativity and dedication of our students.

December 13th, 2024

In addition to the alluring speech performances, our program also featured a joyful array of Christmas music performed by students from K4 through 12th grade. From heartfelt solos to vibrant choral arrangements, their voices filled the room with the hope and joy of the season. Each performance served as a reminder of the beauty and wonder of Christ's birth. We are so proud of our students for their hard work and talent, and we are grateful to everyone who joined us in celebrating the fullness of God's plan this Christmas season!
