Yearbook Dedication

Join us for the Yearbook Dedication & Distribution! We're excited to celebrate the hard work and creativity of our high school students at this year's Yearbook Dedication and Distribution, taking place tomorrow, May 2nd, at 1:30pm in the Auditorium. Our students have poured their time and talent into capturing the moments that made this school year unforgettable. After the dedication, middle and high school students are invited to the Cafeteria for yearbook signing and snacks - an opportunity to reflect, share memories, and celebrate the friendships and milestones that made this year so special!

Springing into Action: April Recap

Looking Back on a Wonderful Month Together

FLC Special Olympics

After months of steady practice in PE, the FLC students recently had the opportunity to showcase their hard work at the Special Olympics Track and Field events, held at Ravenscroft and Green Level High School. With their teachers cheering them on, they participated in events like the long jump, softball throw, and the 25-, 50-, and 100-meter runs. Their determination and enthusiasm paid off in a big way! They brought home eleven gold medals, five silver medals, and four bronze medals. The excitement of the day, the support of their teachers, and the pride on their faces made it a truly unforgettable experience. What an incredible display of perseverance, teamwork, and joy!

Jr/Sr Banquet

With the whimsical theme of “Midnight in Paris” setting the tone, students were transported into an evening of charm, laughter, and lasting memories. The night offered a perfect blend of elegance and fun, as classmates enjoyed meaningful conversations and celebrated their shared experiences.

April 17th, 2025

One of the evening’s highlights was a lively round of Family Feud, where the junior and senior classes faced off in a spirited and laughter-filled competition that kept everyone entertained. Adding a moment of reflection to the festivities, Pastor Kris Wilder shared an encouraging message from the Bible, offering students thoughtful inspiration as they look ahead to the future. With a delicious meal, countless photo-worthy moments, and a joyful atmosphere, the event once again proved to be a beloved tradition that brings the school community together in a truly memorable way.

The Creative Flight

Exploring the Depths of Talent Across Every Grade

This month, our campus came alive with creativity as we hosted two wonderful events celebrating the arts!

Our K4 through 5th grade students took part in the Elementary Showcase, performing songs that reflected their classroom learning and joyfully welcomed the spring season.

Later, our annual Art Walk, themed "A Deep Dive into the Arts," transformed our hallways into an underwater wonderland. Artwork from K4 through 12th grade filled the halls, each piece capturing the beauty of life beneath the sea. Families also enjoyed live performances by our talented middle and high school musicians, with piano solos, brass ensembles, choirs, and the full band adding to the vibrant atmosphere.

It was a night to remember and truly a celebration of how our students glorify God through their creative gifts!

A Falcon Spotlight

Jason Groo and Fellow Seniors Build Garden Fence for Eagle Scout Project

A group of FCS seniors recently completed a volunteer project under the leadership of senior, Jason Groo, an Eagle Scout completing his capstone project. The students built a fence around the FLC garden to protect it from the neighborhood animals.

Earning the Eagle Scout rank requires a Scout to plan and lead a service project that benefits the community and demonstrates leadership. Jason took on the challenge by designing the fence and organizing a team of other seniors to complete the project.

He coordinated each step from planning and gathering materials to scheduling workdays and guiding volunteers through the build.

Thanks to Jason's leadership and dedication, the FLC garden is now better protected and ready to be enjoyed. Congratulations, Jason, on this outstanding achievement!

FCS Seniors: Jason Groo, Matthew Brigham, Steven Bunch, Kamden Savage, and Walker Cain working on the Eagle Scout Project.
